

INDIAN SCHOOL SALALAH

Circular No. ISS/DP/06/2024-25

Date: 01/05/2024

Dear parents,

Due to the predicted weather condition, as a precautionary measure, MoE has suggested us to have remote (online) classes for schools in Dhofar region on **Thursday, May 2nd 2024**.

Hence, tomorrow the school will remain closed for KG to XII. However, **students of classes 5 to 12 will be having online classes**. The subject teachers of your ward will be sharing the Google Meet link in the respective class official whatsapp groups.

Students are requested to join for the online classes using their school provided G-suite id. We expect your support and cooperation as always

Best Regards,
